Dear Colleague:

Your response to our inquiry in the past for information about your organization has been greatly appreciated. I am in the process of updating my files with current information from sponsors that may be interested in projects here at The University of Michigan. Please send me current guidelines and application forms, if required, for the fellowships and grants program of the The Council for Tobacco Research - USA, Inc. These will allow me to publicize grant opportunities as they become available to University of Michigan faculty. The enclosed address label is for your convenience. Thank you.

Sincerely,

Jean E. Downs
